7. Project, Percentage Completion Report;
8. Documents in support of the actual cost of repair/replacement effected on the affected properties such as invoices, official receipts, etc., and
9. Any other documents which you may deem necessary to further support your claim.

Should we, however, in the course of our evaluation of your claim find a need to request for additional documents and information to further substantiate the claim, your goodselves would be advised accordingly.

This letter should not be construed, however, as an admission of liability on the part of your Insurer, but rather, merely as a request for information/data whereupon evaluation of the claim will be based.

Thank you for your cooperation and we hope to hear from you soonest.

Very truly yours,
